

## 2019 Spring Singles League Information

-Spring League will run 12 weeks with shooting beginning on Wednesday March 20<sup>th</sup> and the final night on June 5<sup>th</sup>.

-There will be 50 targets shot each week, with the exception of the last week being 25, followed by a steak dinner.

-We are keeping league fees the same as last spring, \$130.

-New shooters must be specified by the second week of shooting. All new shooters will be handicapped and receive 5 extra targets per round the first week, 4 the second week, 3 the third, 2 the fourth and 1 for the remainder of the league. When a new shooter, scores 20 out of 25 targets they will no longer qualify as a new shooter and will not received handicap targets.

-Any scratch 125 (perfect score) will win over a handicap 125. A 125 is the maximum score possible.

-A missed round can be made up on Sunday or the following Wednesday but must be completed by 5:30 pm of the week following the miss. If not made up the shooter will receive a score of 13. No handicap will be added. If you know prior that you will miss a round we suggest that you shoot ahead or bank a round. You can bank multiple rounds. If not used banked rounds will be charged as practice at the end of the season.

-Shooters can shoot on multiple teams if they choose but they must pay the league fee for each team.

- We ask that each team captain/squad leader come to the desk and take the score sheet to the score keeper when they go out to shoot. We also ask that they return it to the desk when they are completed shooting.

-We want you to enjoy yourselves and have fun but because of the number of teams we are trying to move through each Wednesday night we will be calling teams "On Deck" (ready at the trap, when the prior squad is done) and ask that you shoot in a timely manner so all teams can stay on schedule.

-Please keep all drinks back from the shooting area
